Old Business:

BARBER SCHOOL.

Weber updated the Board that a Barber School needs to become a reality if the Board is to continue operating as a separate unit from the Cosmetology Board. Weber advised that he has been in contact with vocational education people. They believe that the Watertown Voc-Ed School would be the appropriate place for a Barber School based upon the fact that there is already a Cosmetology School there. No action will be taken at this time.

SURROUNDING STATES LICENSE FEES.

After the last meeting, Post wrote to the surrounding states requesting fees and the number of barbers and shops. The Board received information from Minnesota, Nebraska, Montana and Iowa. Currently South Dakota fees are the lowest of all these states.

LETTER TO AND FROM SCOTT BOGUE.

Weber noted that he had written Scott Bogue regarding the Board's obligation for hiring an Executive Secretary. Weber suggested the Board review the contract prior to the October meeting. At that time, the Board could then discuss whether Post and Board are meeting their obligations under the contract. Solem requested that Post send out the contract prior to the October meeting.

PETITION TO RAISE FEES.

Post noted that when shop inspections were done numerous barbers signed a petition to raise fees. Post will put these petitions in the Legislation File so all this information is available for the 1995 Legislative Session.

LICENSURE INFORMATION.

Post provided a listing of what shops and what licensees have not yet responded to renewal letters.

LONG DISTANCE TELEPHONE CARDS.

Post handed out telephone cards to be used by Board members so Board members will not have to use their private phone number and later bill the Board for this usage.

STATE ASSOCIATION MEETING.

Gibson noted that the State Association will be meeting September 10, 11 and 12 at the Brookings Holiday Inn. Bob Melmer
